Refurbishment kit for Lunis R

From past to future.

The refurbishment kit for your conventional Lunis R.

From past to future.

Easy Installation

Clip it in, no tools needed: the refurbishment kit fits into your existing Lunis R in just a few simple steps.

Resource-Efficient

Existing lighting accessories can be reused; replacement is only necessary if needed. The original ceiling structure remains untouched – no opening, no damage. Minimal intervention, maximum benefit.

Made in

Traunreut

Upgrade effortlessly.
